Feeding guide for Accomplish Horse Pellets:

- **Accomplish Horse Pellets** can be fed up to 4kg per day in conjunction with a minimum of 1% body weight of good quality pasture, hay and/or chaff.
- Introduce **Accomplish Horse Pellets** in to the diet slowly over 7 to 14 days.
- Ensure all horses have access to clean and fresh water.
- Feed **Accomplish Horse Pellets** by weight, not volume.
- If feeding more than 0.5% of **Accomplish Horse Pellets** plus other grains per day, divide the total daily amount into two or more equal feeds.
- **Accomplish Horse Pellets** can be fed with any of the James & Son Premium Horse Feed range.
- The feeding rates of **Accomplish Horse Pellets** are provided as a guide only. The actual amount fed should be adjusted to the horses current work load, temperament, body condition and climate.
- Do not add additional vitamins/minerals without veterinary consultation.
- For further dietary and nutritional advice please contact James & Son.

Ingredients:

Accomplish Horse Pellets include: barley, wheat, legumes, protein meal, bran, pollard, molasses, vitamins and minerals.
