Mi-Cool Horse & Pony Pellets are an economical pelletised feed to help maintain your horse's condition during spelling and light work.

Suitable for:

Horse and Pony Pellets

Formulated and recommended for horses and ponies:

- Pelletised feed eliminates sorting of feed with fussy eaters.
- Fortified with all essential vitamins and minerals to ensure requirements are being met to keep horses healthy.
- Vegetable oil provides cool energy and brilliant coat condition.

Ingredients:

Mi-Cool Horse & Pony Pellets include cereal grains (barley, sorghum), millrun, barley malt combings, soy bean meal, sodium bentonite, limestone, di-calcium phosphate, salt and a specialized mineral and vitamin premix.

Nutrient level per kg of premium pellets (as fed)

Crude protein (min)	14%	Crude fat (min)	2%
Digestible energy	10mj/kg	Salt	1.5%
Crude fibre (max)	10%
