<b>BAG 20kg</b>	<b>QLD   NSW   VIC</b>	

At Mi-Feed we understand the importance of feeding your every day layers a nutritious balanced diet. That's why Mi-Layer Pellets has been specifically formulated to provide all essential vitamins and minerals to keep your layers in optimum health to achieve their laying potential.

Suitable for:

## Laying Pellets

The complete everyday pelleted feed will keep your layers producing quality eggs for longer.

Contains high quality plant and vegetable based ingredients and is Medication and Hormone Free.

Natural yolk enhancer to help produce quality egg yolk pigmentation.

The nutritionally balanced premium product ensures quality eggs, consistent laying and healthy poultry.

Finely grounded ingredients are conditioned with steam and pressed into a pellet for better digestion and less wastage caused by selective feeding.
