

JAMES & SON

PREMIUM HORSE FEED

The No.1 CHOICE FOR LEADING TRAINERS

OLD MATE

The Senior Choice

A grain and pellet blend formulated to provide a balance of quality protein and highly digestible fibre. Old mate is fully fortified with Vitamins and Minerals with added Yeast EcoCell® Prebiotics with Mannaolig Osaccharides and inulin for healthy gut and immune function. Enriched with Biotin for coat and hoof condition, Old Mate caters for the increased nutritional requirements of the senior horse.

Typical nutritional analysis (as fed):

Min Crude Protein %	15.00	Max Crude Fibre %	12.00	Energy (mjDE/kg)	12.50	Min Crude Fat%	5.00	Max Added Salt%	1.00
---------------------	-------	-------------------	-------	------------------	-------	----------------	------	-----------------	------

OLD MATE

Typical nutritional analysis (as fed):

Min Crude Protein %	15.00	Max Crude Fibre %	12.00	Energy (mjDE/kg)	12.50	Min Crude Fat%	5.00	Max Added Salt%	1.00
---------------------	-------	-------------------	-------	------------------	-------	----------------	------	-----------------	------

Feeding guide for Old Mate:

- Senior horses requiring optimal body condition or to improve weight gain can be fed up to 4kg of **Old Mate** per day, in conjunction with a minimum of 1 % of body weight of good quality pasture, hay and/or chaff.
- Introduce **Old Mate** in to the diet slowly over 7 - 14 days.
- Ensure all horses have access to clean and fresh water.
- Feed **Old Mate** by weight, not volume.
- If feeding more than 0.5% of **Old Mate** plus other grains per day, divide the total daily amount in to two or more equal feeds.
- Do not add additional vitamins/minerals without veterinary consultation.
- For further dietary and nutritional advice please contact James & Son.
